THE RACES.

To-day's meeting was a very good one. The weather was mild, but about three o'clock a drizzling shower came on which had the effect of causing a large proportion of the native sightseers to leave the ground. The afternoon, however, was not unfavourable for racing, and as the rain was not of long duration there was little cause of complaint, though the mist rendered it somewhat difficult to follow several of the events. The attendance on the Grand Stand was about the same as on Wednesday, while the Chinese population mustered in much greater force than on the first day. The intervals between the races were not too much protracted, and all the arrangements were satisfactory. The sport was very good, several of the events being remarkably well contested, and exciting the liveliest interest, especially the German and Exchange Cups, for both of which Teenkwang and Black Satin were the only competitors. Subjoined are the details of the events:—

The SCURRY STAKES, for China, Manila, and Japan ponies, *bonâ fide* griffins at the date of entry; weight for inches; winners of one race at this meeting 7lb. extra; of two, 10lb. extra; entrance $5, with $100 from the fund. Three-quarters of a Mile.

Mr. Paul's and Mr. Brook's Folly, 10st. 12lb.	1
Mr. Grammont's Steamboat, 10st. 12lb.	2
Mr. St. Andrew's Black Friar, 10st. 12lb.	†
Mr. Greig's Dividend, 10st. 9lb.	†
Mr. Heinrich's Griffin, 10st. 12lb.	0
Mr. Henry's Poisson d'Avril, 10st. 9lb.	0
Mr. Pye's Pimento, 10st. 12lb.	0
Mr. Sydney's Le Cerf Agile, 10st. 12lb.	0
Mr. Thomas's Maharajah, 10st. 12lb.	0

Considerable difficulty was experienced in effecting a good start with such a large field, but at last the horses got well off. Pimento showed to the front but was displaced by Black Friar who was leading at the Black Rock. Steamboat then drew to the front and Folly pulled up well, taking the lead near the finish. The run in was an extremely good one. Folly won by the post with Steamboat second, closely followed by Black Friar and Dividend, between whom there was a dead heat. All the others came in well together. Time 1 min. 39 4/5 sec.

The GERMAN CUP, value 100 Guineas, presented by the German community, for China, Manila, and Japan ponies; weight for inches; entrance $10. Two Miles.

Mr. Paul's and Mr. Brooks' Teenkwang, 10st. 12lb.	1
Mr. Cornabie's Black Satin, 11st. 1lb.	2

Out of twenty-one entries only the above two came up, all the others retiring before such formidable competitors. Black Satin took the reins first, but Teenkwang drew up on reaching the Grand Stand and the two ran an almost neck and neck race until passing the Grand Stand the second time, when the excitement became intense. Black Satin got a slight advantage again, but coming up by the Black Rock, Black Satin had again overhauled his rival. Nearing the straight Teenkwang showed slightly to the front, but the race appeared still far from certain. Black Satin, however, appeared used up before reaching the post, and Teenkwang won by a length and a half. This was undoubtedly the best race of the meeting. Time 4 min. 38 sec.

The PARSEE CUP, value $150, presented by the Parsee Community, for China, Manila, and Japan ponies; weight for inches; winners of one race at this meeting 7lb. extra; two, 10lb. extra; entrance $5. Once round.

Mr. Grammont's Steamboat, 10st. 12lb.	1
Mr. St. Andrew's Grey Friar, 10st. 12lb.	2
Mr. Sydney's Le Cerf Agile, 10st. 12lb.	3
Mr. Annfield's Fleetwing, 10st. 9lb.	0
Mr. Faulkner's Monitor, 11st. 1lb.	0

This was another capital race. Steamboat took the lead followed by Grey Friar, with Fleetwing third. Nearing the Black Rock the two leaders ran almost neck and neck. On the straight Grey Friar got a slight lead, but Steamboat passed again and came in winner by half a length. Le Cerf Agile a good third, closely attended by Fleetwing. Time 2 min. 0¼ sec.

The BANKERS' CUP, value $150, presented by the Bankers of Hongkong, for China ponies; weight for inches; previous non-starters to carry 12st.; entrance $5. One Mile.

Mr. Paul's and Mr. Brooks' Teenkwang 10st 12lb	1
Mr. St. Andrew's Black Friar, 10st. 12lb.	2

Very little interest was evinced in this race, the merits of the only two starters being too well-known to admit of much difference of opinion as to the result. Teenkwang took the lead, but let Black Friar take first place before reaching the Stand. At the Black Rock, Teenkwang pushed ahead again and gradually increased his distance, winning easily. Time 2 min. 17½ sec.

The PROFESSIONAL CUP, value $320, presented by the Professional Gentlemen of Hongkong, for China, Manila, and Japan ponies; weight for inches; winners of one race at this meeting 7lb. extra; two, 10lb. extra; three, 15lb. extra; penalties accumulative; previous non-starters excluded; entrance $10 (to go to second pony). Two Miles.

Mr. Mouat's Tallapoosa, 11st. 1lb.	1
Mr. Pye's Scamp, 10st. 9lb.	2
Mr. St. Andrew's White Friar, 10st. 12lb.	3
Mr. Henry's Furore, 11st. 1lb.	0
Mr. Sydney's Le Cerf Agile, 10st. 12lb.	0
Mr. Fobkien's Benechie, 11st. 1lb.	0
Mr. Paul's Kreutzer, 11st. 1lb.	0

This was the chief event of the day and drew together a large field. A good start was made. Furore led with White Friar second. Kreutzer pushed forward and took second place shortly after passing the Grand Stand and pressed Furore hardly by the Black Rock. Passing the stand the second time Furore still led with White Friar close behind and Tallapoosa and Scamp pulling up. Shortly after White Friar took the first place but at the Rock Scamp came to the front and Tallapoosa showed out. The run home between the two last named horses was a capital race. Tallapoosa ran well at the finish and came in three quarters of a length ahead, with White Friar a good third. Time 4 min. 37½ sec.

The EXCHANGE CUP, value $200, presented by the Exchange Brokers of Hongkong, for China ponies; weight for inches; entrance $5. One Mile and a quarter.

Mr. Paul's and Mr. Brooks' Teenkwang, 10st. 12lb.	1
Mr. Cornabie's Black Satin, 11st 1lb.	2

This was a race which excited the liveliest interest, the two competitors for the German Cup again meeting alone to try conclusions. The general opinion was that in a short race Black Satin would stand a better chance. This opinion proved not altogether unfounded for Black Satin took a slight lead and kept it until the straight run home when it crossed its opponent. Tallapoosa, however, then came up well and managed to show her nose in first, winning by the post. Time 2 min. 49½ sec.

The WELTER STAKES of $5 each, with $100 from the fund, for China, Manila, and Japan ponies; weight 12st. Half a Mile.

Mr. Pye's Coronet, 11st. 4lb.	1
Mr. Marlborough's Pioneer, 11st. 4lb.	2

Coronet, as was generally expected, took the lead and kept it throughout, coming in easily. Time 67 sec.

PROGRAMME FOR THIS DAY.

Two miles.

The LADIES' PURSE, for China, Manila, and Japan ponies that have run at this meeting, to be handicapped by the Stewards; entrance for ponies accepting $5. Once round.

The CANTON CUP, value $100, for all ponies; winners at this meeting excluded; weight for inches; entrance $5. Three-quarters of a Mile.

The KE-CHONG CUP, value $250, presented, for China, Manila, and Japan ponies; weight for inches; three ponies from *bonâ fide* opposing stables to start or no race; entrance $10. From the Black Rock twice round and in.

The CONSOLATION STAKES, for all beaten China, Manila, and Japan ponies at this meeting; catch weights; entrance $5, with $75 from the fund. Once round.

The NATIVE SCRAMBLE, for China ponies only; first pony, $25; second, $10; third, $5; to be ridden by Chinamen; catch weights. Once round.

The meeting of the Legislative Council on Monday next, the 28th inst., is for the revision of the Jury List, and will therefore be held with closed doors.

On Thursday night the French Opera Comique troupe gave their fifth performance at the Theatre Royal, City Hall. The attendance was rather smaller than usual. "La Rose de St. Flour," an operette in one act, the music by Offenbach, was set down for the opening piece, and "Barbe Bleue," the well-known opera-bouffe, to follow; but in consequence of the indisposition of Madame Doriani, who was to have taken the part of *Pierrette* in the former, and *Heloise* in the latter piece, the programme was not adhered to. The performance commenced with "Barbe Bleue," which was given with the part of *Heloise* omitted. When the curtain descended M. Pontet came forward and announced that owing to Madame Doriani's unavoidable absence they would be obliged to substitute another piece for "La Rose de St. Flour." "Avant La Noce," an operetta which has been given by them before, was accordingly produced and passed off successfully. The company intend repeating "La Fille de Madame Angot" on Thursday evening, when we trust Madame Doriani will be fully recovered, and able to act the part of *Lange* with as much success as on her first appearance in that character.

On dit that the Chinese Authorities have made overtures to the Great Northern Telegraph Company, of a nature calculated to lead to the belief that the line to Amoy may yet become an accomplished fact.

We understand that Captain McMahon's foreign drilled battalion are about to be served with breechloaders in lieu of the ancient "Tower" muskets with which they are at present armed.

H.B.M.'s S. *Midge* left her anchorage off this Settlement on 14th inst. last, and will, we believe, proceed to sea. It is understood that she will go out in search of a piratical lorcha, which has been hovering on the Coast of Fukien and Chekiang for some time past, and which was last seen close to this port.

The native authorities have, we understand, received information of another surprise and massacre of Imperial troops in Formosa. The Aborigines attacked a Camp near Tai Wan-fu containing about 500 men—of whom not more than one half are said to have escaped, the remainder having been either killed by the enemy or drowned in attempting to cross the numerous creeks in the neighbourhood.

We note, with pleasure, that an effort is being made by the foreign hongs to resist the arbitrary demands of the coolies engaged in preparing tea packages for shipment. It may be within the recollection of our readers' that great inconvenience was caused to several foreign firms at the commencement of the last shipping season by the sudden and unexpected refusal of a section of these men to work unless they were paid at about double the usual rate of remuneration. The foreign hongs in question at first, we believe, refused to accede to the demands of the coolies and endeavoured to meet the difficulty by engaging men elsewhere; whereupon the coolies, on strike, absolutely restrained men not belonging to the guild from working within their district. Under these circumstances, many shippers had no other alternative than to comply with the extortionate request of the men until such time as the matter could be properly represented to the Chinese Authorities. With a full knowledge of the fact that Mandarindom is always delighted to listen to the just complaints of foreign barbarians, we would yet urge that the mercantile community cannot do better than take up this matter in earnest, and by a determined combination check-mate the cunningly devised plans of the guild. The coolies have, of course, an unquestionable right to put whatever price they may think proper on their labour; but when they proceed, in the fashion of some of their brethren in the Far West, to practice intimidation on those willing to work for more moderate terms, it is undoubtedly time for employers to counter-plot.—*Foochow Herald.*

SHANGHAI.

We have gathered some further particulars connected with recent outrageous cases of flogging at Paoshan. It is said that a woman, sister-in-law of Li Kwen-zung (the man who died from the effects of the beating he received), complained at the Chuh-sien's Yamên that her brother-in-law had sold to foreigners some land of hers for $107, and had only handed over to her the sum of $27. Enquiry was instituted by the Yamên officials, which led to the discovery that a neighbouring tepao, named Kin-ah-yin, had assisted to bring about the sale, and he was also looked up. The man who had been beaten fell ill, as also did the tepao, and they were both liberated on bail. The man Li soon afterwards died from the effects of the brutal treatment he had received. The tepao, alarmed by the fate of deceased and also by his own severe treatment, came to Shanghai, and for some days evaded pursuit, notwithstanding that runners from Paoshan were in search of him in the Settlement. One day, however, he was seen in a shop near the Mixed Court, and captured by a runner attached to that Court. He was at once taken before Hsieh, the Chinese magistrate, who ordered him to be sent back to Paoshan. The man was hurried on board a boat on the Hwangpoo, and taken down the river. On arriving at Woosung, he became so terrified at the prospect of the fate he believed in store for him, that he jumped overboard and tried to drown himself. It so happened that two or three of the runners who were in the boat could swim, and they at once plunged in after him, and succeeded in getting him to shore. He was afterwards conveyed to Paoshan by land, and again committed to the yamên prison; but what has become of him since has not been ascertained. Another tepao, Kung-yu, has also been apprehended for having sold a piece of ground to foreigners, and is now in prison at Paoshan. The Chehsien asked the first named tepao why he ran away to Shanghai, to which the man replied that he wished to try to induce the foreigners to take back the $107 and restore possession of the ground to him. The country talk at Woosung, as to why foreigners wished to cross the creek, is that they desired to build a bridge over which they could march soldiers and guns! We need not go far to guess the inspirers of that idea.—*N. C. Daily News.*

Intimations.

NOTICE IN EXPLANATION OF A SLANDER.

THE principles of right or wrong will reveal themselves in course of time, and this saying is clearly set forth in the History of China. When undue reliance is placed on statement by word of mouth, a good argument is always wanting, and this is what the Book of Changes has always guarded people against. If a man is not guilty of anything seriously wrong, is it likely that he will submit himself to be killed?

With regard to LAI MING CHUN, he is indeed a bare-faced fellow and one who has no regard for anything. On the 27th day of the 10th Moon last year (24th November, 1875), he slandered Messrs. TSANGSHUN YEE and WOO LIN TAK by falsely accusing them of being engaged in the nefarious trade of selling people for the purposes of emigration, and that in their transactions they were in fact kidnappers. And finally, he recorded the same in the *Tsun Wan Yat Po* (the *Universal Circulating Herald*), so that Messrs. TSANG and Woo had thought of suing him before the local authorities, so that he might be punished for libelling people's character. Fortunately for him, however, LAI MING CHUN learnt in time of his own wrong in slandering the character of good men, and now he has voluntarily consented to pay the penalty of bearing the legal expenses in the sum of $600, and to pay also (into the poor box) $25, for the relief of the Hongkong poor; also, from his funds, to pay costs of inserting in the Chinese and foreign newspapers, three of each, for the period of one month, an article, in order to redeem himself from what he has been guilty of. But this, nevertheless, would not actually be sufficient to cover the enormity of his sin. The reason why Messrs. TSANG and Woo condescend to these terms was because they had been advised by intimate friends, who urged that, inasmuch as both parties were Chinamen, how could they, Messrs. TSANG and Woo, have the heart to see him (LAI MING CHUN) put in a gaol of the foreigner? So that it would be far better that they should forgive him; but inflict a small penalty by way of a small warning.

It is happened, luckily, that Messrs. TSANG and Woo's magnanimity proved to be as expansive as the sea and as capacious as the ocean, and it was thus that the matter was put an end to. This is sufficient to show that Messrs. TSANG and Woo are peaceful and quiet men, and that they have done a very good act. But LAI MING CHUN is a man who is very much conceited (*lit.** the night pedestrian who thinks a great deal of himself), and one who falsely dilates in satire and raillery. He began life in a very mean position, and is not of a respectable family (*lit.* the descendant of the pure and white). While in a menial position, he, moreover, offends his superiors. Therefore it would not be arbitrary were he to be banished beyond the frontiers, nor would it be too much were he to be put to the sword (*lit.* under the axe). Now that he is only fined in so small a sum, it is indeed his good fortune that he has escaped greater consequences.
ONE WHO UPHOLDS JUSTICE.

* This has reference to a Chinese story, which, in its moral, is very similar to the Frog and Bull story in Æsop's Fables.—*Translator.*
1m 243 Hongkong, 19th February, 1876.

NOTICE.

A MAN'S character should be judged from what it has been before, and by that means elegance or worthlessness can be discerned. A story should be judged by its true or false bearings, so that right and wrong may be distinguished. These remarks apply to the case in which Messrs. TSANG SHUN YEE and WOO LIN TAK were, on the 27th day of the 10th moon last year (24th November, 1875), slandered by LAI MING CHUN.

Messrs. TSANG SUN YEE and WOO LIN TAK have been residing for more than ten years in Hongkong, and have always been employed in representing Nam Pak Hongs in their transactions with foreigners. While their character stands high, their conduct is excellent, and they have for a long time back been respected by both Chinese and foreigners. They have not only not borne a name that is approaching to anything improper, but they have not in the course of all their actions done anything objectionable. Unexpectedly, however, slander came upon them unawares, but of course, when virtue stands high, reproach will come. They were therefore falsely charged by LAI MING CHUN'S letter, which was void of all truth, with selling people for emigration abroad. They are indeed labouring under a false imputation from which it is now difficult for them to clear themselves. Our Office, therefore, in punishing LAI MING CHUN for having done what he ought not to have done, orders him—and he consents—to pay the sum of $600, the amount of legal expenses; he has also by way of punishment to pay $25 into the poor box for the benefit of the Hongkong poor. He is further punished by having to pay the expenses of advertising in the Chinese and foreign newspapers in the Colony, three of each, for the period of one month, a notice which will bring before the public his sin in this defamation. Reparations like these will, perhaps, allay in a measure the indignation which Messrs. TSANG and Woo feel.

When a man finds fault with others he ought in the first instance to enquire whether he himself is unblemished. Now LAI MING CHUN, as a man, is not one who is numbered among the gentry, nor is his name pronounced by the lips of the illustrious. Yet he falsely dilates in slanderous language and spreads diffusedly by word of mouth stories to the defilement and pollution of (the good name of) Messrs. TSANG and Woo. It was right therefore that Messrs. TSANG and Woo sought to sue him in the Courts of Justice, and he was on the eve of being punished by the utmost penalty of the law. Fortunately, however, Messrs. TSANG and Woo's magnanimity is expansive as the sea and as capacious as the ocean, and they deal with people liberally; with that end in view, they therefore prefer, instead of punishing him, as he rightly deserves, to forgive him of the enormous crime of which he has been guilty. Having ceased litigation now, they have no resentment against any one, and by so doing, they cherish the friendly tie that exists amongst the Chinese clans. They have also shown that in doing this they are inflicting a lenient punishment for the sake of a great warning. They are indeed fully sustaining the benevolent principles of the great men, and for this act of theirs, may the happiness (for good fortune) of Messrs. TSANG and Woo never grow less.

IMPERIAL QUARTO.
ENGLISH AND CHINESE DICTIONARY, WITH THE PUNTI AND MANDARIN PRONUNCIATION.
AN ANGLO-CHINESE DICTIONARY, published at the *Daily Press* Office, Hongkong.

FOR comprehensiveness and practical service this Work stands unrivalled. All the new words which the Chinese have of late years been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given *in extenso*. Each and every word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both the Court and Punti pronunciations are given, the accents being carefully marked on the best principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously attained, and dispensing with those vast margins and vacant spaces which have heretofore characterized Chinese publications.
To illustrate the vast scope of the work, the following facts are submitted for consideration. Chalmers' Vocabularly contains about 16,000 Chinese characters, and Medhurst's English and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 English words, and upwards of 600,000 Chinese characters. Again, despite all the grammars and other elementary works as yet published, the student of this difficult language absolutely requires examples to display the various applications and equivalents of different words which have one general meaning. Of these examples this work contains more than five times as many as any other Dictionary hitherto published.
For practical purposes the arrangement of the work is so complete, that a reference to its pages enables a person who understands English to communicate *effectively* with natives who understand nothing but Chinese. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which very few indeed of them are perfectly acquainted. To parties resident in England and interested in China it cannot but be invaluable occasionally.
It comprises upwards of two thousand large quarto pages.
